Weather Information

All camps will be held rain or shine, so please be sure your child is dressed appropriately. River Bend does not cancel camps due to inclement weather. In the event of thunder, lighting, or other serious weather conditions, outdoor activities will be moved indoors for the safety of our campers. If rain is in the forecast, we recommend sending your child with a raincoat and/or a change of clothes (no umbrellas, please).

Bugs & Sun

Since your child will be spending time outside, please be sure to apply bug spray and sunscreen to your child prior to camp. You may also choose to send these to camp with your child (please write your name on them). If you wish River Bend staff to re-apply or assist in re-applying these to your child throughout the day, please make sure to check the box on the medical form allowing staff to do this for your child. River Bend staff cannot apply these to your child without written authorization. Deep Woods Off! is provided by River Bend.

It is possible that while exploring the habitats of River Bend, your child may come into contact with ticks, mosquitoes, other biting/stinging insects, or poison ivy. Parents / guardians should check their child each night for ticks as a precaution.

Lost & Found

Please label everything with your child's name. We make an effort to match lost items with their owners. Any items left behind are collected at the end of each day and held through the summer until claimed. Please let us know if your child is missing something. At the end of the summer, any unclaimed items will be donated to charity. River Bend is not responsible for lost, stolen or damaged items.

What To Wear

While at River Bend, your child will be taking part in outside activities where they will probably get wet and dirty—we can almost guarantee it! Please send your child in weather-appropriate clothes and shoes that are okay to get dirty!

What To Bring

We recommend your child bring the following, *labeled* items to camp:

- **Snack and bag lunch** – please pack a nutritious morning snack and a healthy lunch each day.
- **Water bottle** – send your camper with fresh water every day, in a reusable, labeled water bottle. We recommend freezing 1/4 – 1/2 of the bottle's water the night before camp!
- **Long sleeved shirt** – long sleeved shirt is to wear over a t-shirt for insect/sun protection when necessary – a loose, button down shirt works best!
- **Complete change of clothes**, including underwear and socks – our campers are likely to get wet & dirty.
- **Backpack** to hold extra clothing, etc.
- **A bag** for wet and/or muddy clothing.
- **Rain coat / Rain poncho**
- **Closed toe, comfortable shoes** that can get wet – sneakers are fine. **Please, no crocs, flip flops, or sandals!!!**
- **Hat** – to protect from sun & insects.
- **Sunscreen** – please apply sunscreen on your child before dropping them off at camp. You may pack sunscreen in their bag to reapply mid-day.
- **Bug Spray** – this is not required, but highly recommended.

Please leave at home: personal items and valuables including toys, electronics (including game systems, cell phones, MP3 players, etc.), and pocket knives.
